

To Whom It May Concern:

Kiddie Shack Daycare owned and operated by Sabrina and Donna has exceeded my expectations of a home care for children. They are licensed through the state and pursue annual classes for furthering their education. Kiddie Shack charges a reasonable rate weekly or monthly and offers a meal plan for the kids. They both are knowledgeable, loving and confident in their expertise. I would recommend them to anyone looking for a qualified care center that has finessed their own mothering instincts, knowledge from personal educational classes and experience in and owning a childcare center.
