

Dear Prospective Parents:

When we went looking for care for Linzie, I knew two things. One, I wanted her in home based care, and two I was going to be very picky! I used to work in a private academy and taught in every age group from infants to Kindergarten. I saw the types of people that it takes to be successful in the business, as well as who could not. I have every confidence in both Sabrina and Donna. They handle suggestions with care and it is so very obvious that they love their kiddos. Linzie has blossomed and grown so much in their care and even reaches her little arms out to them when she gets there. I am so very happy that we chose these two wonderful ladies play such an intricate part of our baby's life!!

Sincerely,

Chris & Tiffany Hall (Linzie's Parents)
