

Dear Prospective Parent,

It is my pleasure to write a reference letter for Kiddie Shack. Our son Ty has been with Sabrina & Donna since July 2010 and we are very happy with the care he has received. From Day 1 we felt comfortable entrusting them with our new precious baby. They were very accommodating to my new mom needs. We have great communication whether it is through phone calls, texts or emails. It makes everything so much easier dropping him off with people who care about him. He loves going to daycare every day.

We wholeheartedly recommend Kiddie Shack as a childcare provider, and we would be happy to supply additional information.
