

Prospect Parents-

Having your first baby is one of the most exciting experiences in life, and leaving that tiny bundle to go back to work can be one of the most nerve-racking. When we found Kiddie Shack Daycare and first met with Sabrina and Donna, we knew our daycare search was over. They are two of the most caring ladies, and before long we felt like we were leaving our son with family. It never felt like he was just another kid at daycare; Sabrina and Donna really knew him, and thus, took excellent care of him. They also were wonderful to deal with from a parents' standpoint. As new parents, we often had a lot of questions, requests, etc., and they were always helpful, accommodating, and great about communicating with us.

Choosing childcare is one of the most important, difficult decisions that working parents make, and finding Kiddie Shack made that part a whole lot easier for our family. We cannot recommend them highly enough. If anyone would like to e-mail us personally for further info, we'd be happy to oblige.
