Ms. Sabrina Helton
Kiddie Shack Daycare

My son Jack has been attending Kiddie Shack daycare since August. My husband and I have been pleased with the care he has received.

We started at this daycare after having him enrolled in a corporate center. After a few months of disappointment, we were ready for a change! Jack came home everyday with dirty face/hands and food all over his clothes. Not a lot of one-on-one time in that kind of a center with 15 kids to 2 adults! The director and I did not have a good relationship. It was always tense, and I never felt like she had my son's best interests at heart.

That all changed at Kiddie Shack. He gets a balanced amount of one-on-one time with the providers as well as free playtime to build some independence and socialize with other kids.

Kiddie Shack offers an age appropriate curriculum for the kids. Jack has brought home some wonderful artwork that graces our fridge. He was a late walker at 14 months old and was still barely getting around when we left the corporate center. After being at Kiddie Shack, Jack is running full speed ahead.

This is also a great center because of the competitive price of tuition. With a growing family, we wanted great care without the traditional over-priced costs of a corporate center.

We've had great things to tell friends and family about this daycare. Hope others find this review helpful.

Sincerely,
